

Need 2 Diesel Mechanics for Heavy-Duty Semi Tractors Available Shifts: 6 a.m. to 2 p.m. 3 p.m. to 11 p.m.

WHAT WE OFFER

- Full benefits and competitive pay.
- Benefits include: medical, dental, life insurance, short-term disability, 401(k) retirement account with company match, holiday pay (9 per year), PTO (paid time off), and weekly direct payroll deposit.
- Referral rewards program.
- Quarterly safety bonus.
- 40-50 hours per week.

WHAT WE NEED YOU TO DO

- Diagnose mechanical failures and repair tractor components according to manuals and factory specifications.
- Perform preventative maintenance, inspections and repairs.
- Complete air/hydraulic brake repairs.
- Perform electronic troubleshooting and electronic component repairs.
- Repair air conditioning and cab ventilation.
- Use hand tools, power tools and testing instruments.
- Read meters and gauges of testing equipment to diagnose engine malfunction.
- Remove and disassemble engine, transmission and clutches using hoist, jack and mechanic's hand tools.
- Inspect parts for damage and verify dimensions and clearances of parts for conformance to factory specifications using gauges such as calipers and micrometers.
- Replace or remove worn or damaged parts.
- Weld defective body or frame parts.

WHAT WE REQUIRE

- 3 years of diesel maintenance experience required.
- Ability to work flexible schedule as needed.
- Valid driver's license and clean MVR (CDL is a plus).
- Possess own hand tools.
- Certification from Diesel Technical school preferred. (Brakes, AC and/or EPA, DOT inspections, transmissions, and engines.)

Send resume to humanresources@alltruck.com
