

Trailer Mechanic for Heavy-Duty Semi Trailers 6:00 a.m. to 2:00 p.m.

WHAT WE OFFER

- Full benefits and competitive pay.
- Eligible for full benefits after 90 days of employment that include: medical, dental, life insurance, short-term disability, 401(k) retirement account with company match, holiday pay (9 per year), PTO (paid time off), and weekly direct payroll deposit.
- Referral rewards program.
- Quarterly safety bonus.
- 40-50 hours per week.

WHAT WE NEED YOU TO DO

- Diagnose and repair trailer components such as doors, floors and side panels.
- Perform preventive maintenance (PMs) on trailer equipment including routine technical repairs and completing repair orders.
- Perform general or routine welding with or without prints.
- Perform repairs on accident damage to exterior, interior and structural components.
- Repair worn out components such as cross members, side rails, couplers, landing gear, suspension, bumpers, brake lining and all air brake components.
- Diagnose mechanical failures and repair trailer components according to manuals and factory specifications.
- Perform electronic troubleshooting and electronic component repairs.
- Inspect parts for damage and verify dimensions and clearances of parts for conformance to factory specifications.
- Replace or remove worn or damaged parts.
- Use effective interpersonal skills to maintain positive working relationships with team members.
- Abide by all Company policies and safety rules and assist in maintaining a clean, safe work environment.

WHAT WE REQUIRE

- 3 years trailer maintenance experience preferred.
- Ability to work flexible schedule as needed.
- Valid driver's license and clean MVR (CDL is a plus).
- Possess own hand tools.

Must be able to pass pre-employment physical and drug screen.
